What is the Ford CEO saying to Ford workers?

“Ford is transforming its Australian business by accelerating the introduction of new products for Australian customers, enhancing the sales and service experience, and improving its business efficiency and profitability,” he said in a statement.

“To better position the company to compete in a highly fragmented and competitive market, Ford will cease local manufacturing in October 2016. All entitlements are protected for the 1200 employees whose jobs are affected, and the company will work through the next three years to provide support.”

- CEO Bob Graziano
